Charlie:

For the 8-9 June sessions, attached is a draft of a note to go to each of the invitees. Since the group will be there only for one night it seems most efficient to have all meals held at [REDACTED]

(The group will be housed at 4-5 different locations.)

While I suppose there would be no desire to prohibit visits to [REDACTED] it is suggested and hoped that it would be avoided. This is a rather high powered group that might well draw attention during the height of tourist season. If indeed the second flight leaves late Saturday afternoon, it would be to accommodate a tour of [REDACTED] or tennis.

I trust some attention will be given to "entertaining" the wives while the men are at their working sessions.
